Open House

Sunday Morning
March 15, 10 - Noon

MCT Club Member Rusty Gillis is opening his shop for MCT members and friends.

You've seen him in Mustang Times, Mustangs and Fast Fords, Mustang Monthly, other magazines, and of course his critically acclaimed "Rusty Report" in the Pony Express. Now's your chance to get a behind the scenes look at where the rust and corrosion goes in, and award winning show cars come out. See cars in all stages of restoration and hear about the projects.

Come out with your MCT friends, drive your Mustang and enjoy the morning at this highly interesting place. Rusty Gillis and his son Brian do fabulous work and they are great hosts when there is an open house. We do this on Sunday as there are other adjacent businesses open on Saturday. The club will bring some coffee and donuts. We will also find someplace nearby for lunch afterwards. Don't miss out!
