# The Mustang Club of Tampa 2018 Christmas Party

## The Story of the "Red Mustang" Gift Exchange:

Many years ago a game called the "White Elephant" was created by some very naughty elves. Unbeknown to many, the goal was to exchange burdensome gifts that could not be easily disposed of, and which nearly ruined the Christmas of many who joined in this game.

But then a group of very good elves found out about it and, with Santa's blessing, they created an alternative game. As it turned out, the good elves were big fans of the Mustang, so they called the new game the "Red Mustang" Gift Exchange in hopes that players of this game would exchange wonderful gifts that every Mustang Lover would want to steal and take home.

So don't be surprised if an elf or two is seen supervising the festivities. Keeping an eye out to make sure that all participants of the "Red Mustang" Gift Exchange are creating wonderful Mustang Moments ...
