About Moffitt Cancer Center and Research Institute Foundation

Effective treatment starts with the right diagnosis. As with all types of cancer, an early diagnosis can increase the likelihood of a positive outcome. Our multi-specialty medical professionals are dedicated to the treatment and research of cancer, and cancer only. As Florida's only National Cancer Institute-designated Comprehensive Cancer Center and one of only 30 leading cancer centers in the U.S. participating in the National Comprehensive Cancer Network, Moffitt is at the very forefront of cancer centers worldwide. Equipped with top research and care experts working side-by-side, Moffitt is uniquely positioned to revolutionize cancer treatment, elevate care and save more lives.
