**CLUB OF TAMPA**

# MCT's PONY EXPRESS

*April 25<sup>th</sup> 2022 Edition*

**FROM THE CLUB PRESIDENT – Bob Turner**

Dear Club Members – Seems like spring is rocketing past us – May is upon us and that can only mean one thing – club elections!

If you have an interest in serving as an officer or a board member, let me know at [president@mustangcluboftampa.com](mailto:president@mustangcluboftampa.com). We will spend the next couple weeks building our slate of candidates and the actual election will be held at our club meeting on May 24<sup>th</sup>.

Other BIG NEWS: We have been invited back to Northpointe Village for our **41<sup>st</sup> Annual Mustang and Ford Roundup**. Flyer is in this newsletter; the date is November 5<sup>th</sup>. It's a great venue and we appreciate their hospitality.

Since our last newsletter we had our Pony Party and Member Appreciation Day on April 16<sup>th</sup> in Brandon – we are doing members only functions this year as a way of saying thanks for being part of our club. 90+% of our activities and events are still open to all, but occasionally we'll keep it to "just us". Details of that day are covered later in this newsletter.

Even though the summer is just around the bend, events are still aplenty. Details are in this issue, but we have the Suncoast Mustang Club show on April 30<sup>th</sup>, our friend Tim McCulloch's show at Jarrett-Gordon Ford in Davenport (I-4 & US27) on May 7<sup>th</sup>, and BAM!'s show on May 21<sup>st</sup>.

Next month we'll have updates on a few out-of-state events – Ponies in the Smokies and Mustang Club of America National Show. Until then, stay safe, and if you want to join our leadership team, let me know – we always appreciate fresh eyes and ideas.

– BT.

## 2022 Charity Update:

A lot of opportunity this year, we have a few things in the works already. More information will be shared as it develops. What we have so far:

**Carroll Shelby Foundation** – We supported the show at Lead Foot City which was a benefit for this organization. Registration, judging, parking, and award presentation – it all went well, and raised \$5000 for the cause. More details can be found in the March newsletter.

**Metropolitan Ministries:** Another volunteer day to be scheduled at their Tampa location, and food drive event again at this year's Roundup.

**1Voice Foundation** – Currently in discussion with them on how we can partner with them this year.

**Wesley Chapel High School Auto Academy** – Supported their car show on February 26<sup>th</sup> via attendance and organized some donations for their program. We are working on some future opportunities with them as well.

**Celebrate Birthdays** – This is an interesting one....we donated the toys gathered at our Christmas Party to them, about \$500 worth. We can do the same again in 2022. They are really taking off and have a new project they need help with – outfitting their new Birthday Bus! They need a **wrap, some mechanical work**, and an **interior** make over. If you have a connections in any of those trades, please let us know. Any donated materials, time, dollars, talent, etc...is appreciated and might be worthy of a logo on the side of the bus on their new wrap. Email me at [president@mustangcluboftampa.com](mailto:president@mustangcluboftampa.com) if you can help in any way. We'll be following their progress on Facebook and Instagram (**@mctprez**). Check them out at [www.celebratebirthdays.org](http://www.celebratebirthdays.org) for more details. See next page for something we coordinated with them.

# MCT's BIRTHDAY BASH

On April 16<sup>th</sup> MCT hosted a Birthday Bash for National Mustang Day. The event supported Celebrate Birthdays organization and provided a fun day for some of the foster kids they support and kids from the One Voice foundation that we have worked with previously.

The event was held at Rotary Camp Florida, a beautiful outdoor setting in the shade of giant oak trees. We had about 30 Mustangs displayed from first generation to present day models.

MCT had the Hot Mess food truck there and provided food and drinks for everyone. The kids enjoyed the playground and a bounce house that was provided by 1Voice. MCT also provided a Birthday cake that all enjoyed. MCT members donated over \$600 in toys for the Celebrate Birthdays group.

# MCT's BIRTHDAY BASH – Pony Party 2022

Trophies for Top Ten cars were provided by Antonietti Marine and the kids all judged, selecting their favorite cars. I think many of us were surprised that older Mustangs prevailed.

The weather for the day was beautiful, the cars looked great, and the smiling faces on all those kids made the day complete.

Thank you to Lucy Carroll, Margaret Schaub, Doc Hostetler, Harold Champion, Tom Jankowski, Bob O'Donnell, Brandon Pacifica and Bob Turner their work to put this event together. Thank you to all the members who came out and made this a success.

## The Rusty Report

Brian continued building Bob's 1965 fastback that started life as a coupe. Lower cowl welded in place.

Welds were ground before fitting the upper cowl. Brian welded the upper cowl and used a mini grinder with 50 grit grinding disc to clean up the welds.

Engine compartment sanded and ready for epoxy primer.

# The Rusty Report

Marvin sprayed two coats of SPI black epoxy primer.

Both sections of the rear frame rails was replaced because of rust.

Before the trunk floor was welded in place epoxy primer was brushed inside the frame rails. As you can see Brian drilled a lot of holes and plug welded the floor in place.

# The Rusty Report

The new fastback inner structure being test fit.

Brian started welding the inner fastback structure.

The new rear trunk divider/package is screwed in place. Brian wants to line up the outer sheet metal before he welds it in place.

# ***New Members***

We have several new members to welcome:

**Zhong Guan**

**Nick Reynolds**

**Jason Bossmen**

**Cheryl Hormes**

**Mach-E**

**Future Owner**

**Ecoboost**

**1964 ½ Coupe**

We have many activities, and we encourage you to attend. This is a social group of people who enjoy the common interest in the car, and the friendships that develop. The club is about the Mustang, but the people make up this organization and are the reason for 40 plus years of success.
